PROSPECTIVE JUDGE
REGISTRATION FORM 2007

Use this form if you have not judged at TOM, but would like to assist in 2007.

Judges are an integral part of the Tournament of Minds (TOM) program. We value the dedication and commitment of our experienced judges and are always delighted to welcome new judges.

If you have already registered your interest for Judging in 2007, or you are an experienced Judge, you will automatically be contacted by your Region’s Judging Coordinator. However, if you have not judged TOM before and are interested in doing so, we would be delighted if you would fill in your contact details and return this form to the TOM Office by fax, email or post (details below) and we will send you further information.

TOM will provide a Handbook and a free Judge Training Workshop to assist you with this important, yet rewarding task. Please refer to our website www.tom.edu.au for workshop details.

Name: .................................................................
Organisation: ..............................................................
Mailing Address: .............................................................. Postcode: ............
Phone: .................. Fax: .................. Mobile: ........................
Email: .................................................................
